

Dad

*You've always tried to help make
everything right with my world.*

*You've been there to laugh with me, to be
proud of me, and to be happy for all the good
things in my life. And, maybe even more
importantly, you've shared my disappointments,
and listened as I worked out my thoughts
and feelings about so many things that
troubled me as I was growing up.*

You're a very important part of my world,

*Dad, so I want to thank you now,
and tell you that I hope everything will
always be right with your world, too...*

because I love you.
