

I Love Thinking Of You . . .

*I love looking back to where we began,
seeing us as we were at the beginning,
Then slowly leafing through the memories
we've made together to bring
us to where we are today.*

*I love anticipating the days ahead of us,
wondering what we'll find
in each other, in ourselves,
before another year has slipped away.*

*But best of all, I love being with you
where we are today,
together writing the pages
we'll remember tomorrow.*
