

Mother

*As the years go by, the reasons become
more clear why God gave me you as my mother.*

*Throughout the years you have become
a person I can truly trust.*

I can talk to you about anything and you'll listen.

*You've held my hand through heavy waters,
and you never doubted me even when
the odds were against me.*

*Now I have matured and I am moving on,
but I just want to say thank you
for everything you have done for me.*

*You didn't have to do everything you did,
but you did it anyway because you cared so much.*

*Thank you for being the best mom
that anyone could ever have!*
