

Always a Father, Always a Friend

*Always a Father . . .
someone who cares for
you and about you all
through your life,
someone whose
guidance you value,
concern you appreciate,
love you depend upon.
Always a Friend . . .
someone to laugh with,
someone you can count on
to help you out, back you up,
and never let you down.
That's what a father is -
that's what you are to me!*
