

Number One Grandparents

*Who gave us love and guidance?
Who showed us wrong from right?
Who was there when we needed confidence?
Who tucked us in at night?*

*You're someone always on our side.
At times our biggest fans.
Your love you never tried to hide.
Always there with helping hands.*

*But that's just half the story.
The rest sure makes us glad.
'Cause you're much more you see.
The best grandparents we could ever have!*
