

# *The World's Greatest Grandparents*

*This is the perfect time to say  
that I'm so glad to have  
grandparents like you.*

*When I'm near you  
I can feel your love,  
when I'm away from you  
I miss you very much.*

*Surely you must be  
the greatest grandparents  
in the whole wide world.  
I love you so very much!*
