

## *These are the Keys to a Loving Lasting Relationship*

*~ Enjoy!*

*~ Love one another with all your hearts.*

*~ Give more than you take.*

*~ Don't ever take your relationship for granted.*

*~ Have heart-to-heart talks and really communicate.*

*~ Be trusting, playful, intimate and kind.*

*~ Appreciate all the little, special things.*

*~ Recognize that time spent together is a treasure.*

*~ Make the most of what each day brings.*

*~ Know that nothing is sweeter than the warmth of one hand within another.*

*~ Walk together in the direction you want to go.*

*~ Be supportive and sharing and open to changes.*

*~ Always continue to grow.*

*~ Cherish this blessing which so few truly find.*

*~ Have dreams to reach out for through the years.*

*~ Share one another's smiles through the good times.*

*~ Be everything to one another through the tears.*

*~ What your time together lacks in quantity, make up for with quality.*

*~ Call to say "I love you" in the middle of the day.*

*~ Keep your sense of humor and hold on to your hopes.*

*~ Don't let work or worries get in the way.*

*~ Make love a sanctuary and a celebration.*

*~ Make each moment more precious and each season more glad.*

*~ Realize how lucky you are to be two. . . together.*

*~ And make the best memories any two people ever had.*
