

The background of the image is a photograph of a bright sun shining through a blue sky filled with white, fluffy clouds. The sun is positioned in the upper left quadrant, creating a strong lens flare effect that radiates across the sky. The clouds are scattered throughout, with some appearing closer to the viewer and others further away, adding depth to the scene. The overall color palette is dominated by the blue of the sky and the white of the clouds, with the bright yellow of the sun providing a focal point.

His Journey's Just Begun

*Don't think of him as gone away-
his journey's just begun,
life holds so many facets-
this earth is only one. . .*

*Just think of him as resting
from the sorrows and the tears
in a place of warmth and comfort
where there are no days and years.*

*Think how he must be wishing
that we could know today
how nothing but our sadness
can really pass away.*

*And think of him as living
in the hearts of those he touched. . .
for nothing loved is ever lost-
and he was loved so much.*
