

## *My Mother*

*Who gave me life and held my hand  
and caught me when I fell . . .*

*Who praised me for my best  
and wept when I did wrong . . .*

*Who cheered me on and  
taught me to be strong . . .*

*Who never slept so to comfort me . . .*

*Who will always be a part of me . . .*

*My Mother, My Best Friend*
