

My Mother-In-Law

*You have given me a precious gift
with whom I share my life.*

*You raised in love the little girl
that now I call my wife.*

*You are her lovely mother,
and I'm the lucky man,
that your little girl has chosen
to always hold her hand.*

*And now I want to thank you, Mom
for all your loving care,
and being the kind of mother
the both of us can share.*
